For use on vinyl, rubber, linoleum, marble, terrazzo & sealed floor surfaces

Easy Strip™

Fast acting floor polish stripper

Sure Strip™

Floor polish stripper

When stripping polish from a floor it is advisable to comply with good safe working practice and avoid standing on the wet solution.

PREPARE - POLISH STRIPPING

- Place wet floor caution signs. Sweep floor
- Add EASY STRIP or SURE STRIP to hot water in mop bucket
- Mop solution onto section of floor. Leave for five minutes
- Scrub surface using floor machine and BLACK floor pad
- Remove all slurry residue with wet pick-up or mop
- After using EASY STRIP - providing all slurry residue is completely removed it is not necessary to rinse, but check floor is neutral
- After using SURE STRIP - rinse with cold water and neutralise floor

EASY STRIP is also suitable for mop or spray stripping - refer to label
